# NOAM FARLA

FRONT-END WEB & APP DEVELOPER | NOAMFARLA.BE

## OBJECTIVE

Aspiring Assistant Developer with a passion for web and mobile application development, seeking to leverage my skills in HTML, CSS, JavaScript, and Flutter/Dart.

## SKILLS

Web Development: HTML (Advanced), CSS (Intermediate)

Programming: JavaScript (Beginner), Flutter/Dart (Beginner)

Languages: Fluent in French, Dutch, and English

Personal Traits: Motivated, disciplined, quick learner

## PERSONAL INFO

Mail: noamfrl@icloud.com

Phone: +32 471 95 25 68

Website: noamfarla.be

Address: Cité du Douaire 35, 1480 Tubize

## EXPERIENCE

### WEB & APP DEVELOPMENT • TOP ASSETS • MAY 2023 – NOV 2023

I developed web and mobile applications using primarily Dart as programming language and Flutter as framework. I sadly had to leave because of financial problems and received a recommendation letter explaining my skills and professional performance.

## EDUCATION

### 2022 - PRESENT

Junior developer at IFAPME in Braine-Le-Comte

### 2021 - 2022

2nd additional year at IPES in Tubize

### 2019 - 2020

Media and Graphics at Sint Cordula in Schoten

### 2018 - 2019

Technical Science in Sint Jozef in Schoten

### 2012 - 2018

Primary school in Melgesdreef in Merksem

## HOBBIES & INTEREST

Passionate about development and technology

Likes physical training, including weight lifting and calisthenics

Interested in military service, with aspirations to join the Belgian Para-commandos
